

Values/Ethics

General Competency Statement: Work with individuals of other professions to maintain a climate of mutual respect and shared values.

Specific Values/Ethics Competencies:

- VE1.** Place the interests of patients and populations at the center of interprofessional health care delivery.
- VE2.** Respect the dignity and privacy of patients while maintaining confidentiality in the delivery of team-based care.
- VE3.** Embrace the cultural diversity and individual differences that characterize patients, populations, and the health care team.
- VE4.** Respect the unique cultures, values, roles/responsibilities, and expertise of other health professions.
- VE5.** Work in cooperation with those who receive care, those who provide care, and others who contribute to or support the delivery of prevention and health services.
- VE6.** Develop a trusting relationship with patients, families, and other team members.
- VE7.** Demonstrate high standards of ethical conduct and quality of care in one's contributions to team-based care.
- VE8.** Manage ethical dilemmas specific to interprofessional patient/ population centered care situations.
- VE9.** Act with honesty and integrity in relationships with patients, families, and other team members.
- VE10.** Maintain competence in one's own profession appropriate to scope of practice.
