“There is a sense of community. Everything is right here on campus that I need. I can be studying at the library and then walk across campus to hang out with my friends.”

Kayleigh Morein ’16

“It is more convenient for me to live on campus because of the clubs that I am involved in. I get more work done when I stay on campus than if I was to go home.”

Michael Gombita ’18

“Living on campus makes you a part of a close knit community. Whether you need a friend, a tutor, a workout buddy, whatever it may be, you can always be sure to find it just a few steps away.”

Brittany Albert ’17
McHale Hall is a traditional standard double room residence that houses first year students. It is co-ed by floor/wing and is equipped with air conditioning and elevator access.

The ground floor houses twenty seven residents, as well as the popular Fireside Lounge. Fireside was designed and built as a place of recreation and retreat for the residents. It houses a full kitchen, bathrooms for men and women, a flat screen television, full size ping pong table, couches, chairs, and tables. The lounge also serves as a special place for student gatherings and Residence Life programming.

Each of the upper three floors holds both men and women with separate community bathrooms. Small study rooms and washers and dryers are available on each floor. The rooms are equipped with large closets, desks and dressers. Individual sinks are also located in all of the rooms on the second, third and fourth floors. Cable and internet access are available in each room.

**The University has determined that in the best interests of the students, the institution and the community that all traditional entering first-year students whose permanent residence is further than a 40 mile radius of the University are required to live in campus housing for a minimum of 2 academic years (4 academic semesters).**
*Alumnae Hall is a traditional co-ed standard double room residence that houses first year and upper class students. Standing three floors, Alumnae is connected to McGowan Hall where students share modern recreational lounges, study areas and a full kitchen facility.

*Equipped with air conditioning and elevator access with washers and dryers located in the basement.

*Rooms are equipped with individual sinks, closets, dressers, desks, chairs, and beds. Cable and internet access are available in each room.

*Gildea Hall offers suites, co-ed by unit, holding three, six, or seven occupants. It is a modern facility equipped with air conditioning and elevator access.

*Each suite contains a full bath, a common room, and several bedrooms with loftable furniture. Bedrooms are designed as singles, doubles, or quadruples. Each bedroom is equipped with cable and internet access, desks, wardrobe closets, and dressers.

*Each of the four floors has a small lounge where students can gather for study or recreation. All lounges are equipped with a flat screen television and the third floor lounge offers a ping pong table. Directly across from the lounges is a community kitchenette. Washers are dryers are located in the basement.

*MacDowell Hall is a three-story structure near the North Gate of campus and across the parking lot from the Anderson Sports and Health Center.

*MacDowell Hall offers 118 beds for student housing and three academic classrooms. It also provides suite-style residence space with kitchens, living rooms, bathrooms, and appliances.

*MacDowell houses three classrooms used by each major on campus which could possibly work in your favor if you were a resident in this building.

*The second and third floors have a full lounge equipped with sofas, chairs, flat screen television, a beautiful view of campus and a quiet place to study.
*Eighteen individual townhouses each having three bedrooms, two bathrooms, a common living room, and a full kitchen. Typically, each house holds six upper class students.

*Each townhouse is equipped with closet space, beds, desks, dressers, chairs, and more. Cable and internet access are available in each townhouse.

*Behind each townhouse is a small patio area. The complex has central air conditioning and a full laundry facility. Separate complex parking for townhouse residence only.

*Located on Lake Street, the Yellow House is a very comfortable residence for four upper class students.

*The house offers the full amenities of a typical household, with two bedrooms, two bathrooms, a living room area, dining room and a full kitchen. Directly off the kitchen is a relaxing deck and a washer and dryer are located in the basement. This house has cable and internet access.

*Adequate parking located in the back of the house for residence only.

SUCCEED academically. Studies have shown that students who live on campus are more likely to graduate and more likely to have a higher GPA than students who do not. Why? You have easy access to academic support on campus and live amongst those with the same academic interests as you.
This Misericordia owned and operated house on our Lower Campus next to Passan Hall provides a close and comfortable alternative to the other residence halls. It is a co-ed residence for upper class students and is beneficial for those in Speech Language Pathology, Nursing, OT and PT majors.

The house offers the full amenities of a typical household, including two bathrooms, a large kitchen with appliances, beds, dressers, desks, couches, chairs, tables, laundry facility and full living including flat screen television. Cable and internet access are available in each room.

Adequate parking behind house for residence only.
