

**Email to Medical Imaging CA's**

Dear \_\_\_\_\_,

(first name of clinical instructor)

Thank you for being a Misericordia University clinical instructor. As a medical imaging clinical instructor, you have assisted in the supervision of our students for their clinical education & fieldwork experiences. Our students benefit from your guidance and expertise, and as a result will graduate as qualified professionals. Your participation in helping our students connect theory to real-world practices is appreciated at Misericordia University. In appreciation of your support as a clinical instructor, Misericordia University offers a tuition award to thank you for your participation in the clinical/field work portion of the educational process.

Your facility has been awarded 6 undergraduate/graduate credits for supervising our students during the \_\_\_\_\_ semester.

The tuition award must be used within 2 years from the date of completion of eligible supervision hours. In the instance where the student is supervised by more than one Clinical Instructor, the location is responsible for determining the distribution of credits among the eligible Clinical Instructors and Field work Supervisors. The tuition award is non-transferrable and cannot be redeemed for cash. Course withdrawal nullifies tuition award.

To register for a course, please contact Jeff Demko at 570-674-3020 or via email at [jdemko@misericordia.edu](mailto:jdemko@misericordia.edu). You may view our course list at [www.misericordia.edu](http://www.misericordia.edu).

Once again, thank you for being a Misericordia University clinical instructor.

**Sincerely,**

**College of Health Sciences and Education**

**Final 7/13/2017**
