

MISERICORDIA UNIVERSITY

Welcome to Misericordia University!

I know this is a very exciting time as you begin your college career and hope you are ready to “Go for the Gold” here at MU! My staff has been working hard to make your one-day orientations quite informative and fun for both you and your parents. Throughout the day you will have an opportunity to meet faculty and staff, upper-class students and other new students entering the “Class of 2024”.

You will be given a schedule for the day upon your arrival. However, you can find this information as well as a map of our campus by going to our website at www.misericordia.edu/orientation. The day is very full and informative. We will be holding an “Info Fair” in the morning where you will have the opportunity to visit a variety of different departments allowing you to ask questions specific to your needs. Registration is from **8:30 AM-9:15 AM**. This process can be time consuming so we ask that you be punctual.

Please be sure to submit all required health forms to Mediat by August 1st. These can be found on the Orientation tab on the myMU portal, **Step 3**. These forms are a mandatory requirement for all full-time students regardless of your housing status. Timely submission of your documents is vital so that preparations can be made prior to the first day of class as well as to ensure that your registration/housing process is not delayed. To access these forms, you must first register with Mediat by clicking on the Icon highlighted in yellow. You will need to make a one-time payment of \$25 and you will immediately have access to all required forms.

If you are unable to get your health physical due to insurance regulations, you can submit any completed physical done within the past 365 days. Please know however, that you will not be permitted to move on to campus or start classes until you have met these requirements. If you have any further questions regarding medical issues, please contact Dr. Federo at (570) 674 - 6276.

Finally, please mark your calendar for your final orientation which will be held from **August 27rd thru 30th**. Commuter students please know that you will be required to participate in all activities and if you have a job, be sure you plan accordingly. This is **mandatory** for all first-year students and we know that you will find it both beneficial and lots of fun! If you have any questions, feel free to call (570) 674-6407 or e-mail us at orientation@misericordia.edu

I look forward to meeting you at orientation. Have a great summer!

Sincerely,

Darcy Brodmerkel
Director of Student Engagement/
New Student Orientation
